

BRANOgrip

Anti-Slip Paper

Premium

Product characteristics

BRANOgrip is an anti-slip paper. It's single or double-sided coated. The **BRANOgrip** coating can be applied to paper of various qualities and thus enables a wide range of applications.

*These **BRANOgrip** papers are available in an unbleached quality:*

Weight [g/qm]	105 ± 5 %	145 ± 5 %	185 ± 5 %	225 ± 5 %
Slip angle DIN 53119-2	≥ 50°	≥ 50°	≥ 40°	≥ 40°
Thickness	175 µm	250 µm	320 µm	360 µm

Of course we can offer more weights or even unbleached qualities according to your individual requirements.

Application

BRANOgrip can be placed on pallets or used as an intermediate layer for securing loads. No more slipping; loads remain stable; light packages are easier to stack. This intermediate layer stabilises loads, allowing for a reduction in the use of stretch film.

When used as place mats or tray coating, **BRANOgrip** is an essential aid for catering service in trains, planes or busses.

Easy to use: Simply apply **BRANOgrip** sheets to the desired surface. A machine processing is to be checked in advance. Strong variations in temperature as well as high humidity should be avoided during processing.

Advantages

- Excellent anti-slip properties
- Environmentally friendly material
- Wide range of applications
- Easy to dispose
- Non-hazardous material
- Odourless
- Dustfree
- BRANOgrip is certified according to ISO 9001 and ISO 14001
- Development of customized solutions possible

BRANOgrip

Product Information

Delivery Forms

Rolls, sheets, special sizes and punch on request.

Storage

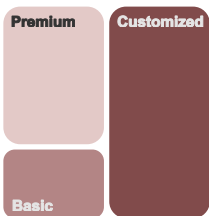

Cool and dry, keep away from direct sunlight, protect against humidity.

Disposal

Because the calorific value of BRANOgrip is >11000 kJ/kg, the material may be subject to an energy recovery process. If this is not possible or unfeasible, the material may be deposited or incinerated with normal household refuse in compliance with local regulations.

Technical Specifications

BRANOgrip has excellent anti-slip properties. It is available unbleached in various basis weights. The odourless, dust-free and environmentally friendly paper has an uniform appearance and attractive haptics.

According to your requirements, you have the choice between three BRANOpac solutions: BRANOpac Basic, Premium or Customized.

The information given is in line with current state of knowledge. It is non-binding and might have to be adjusted to meet local requirements. No liability is accepted for this information. Please contact us in case of doubt.
